About Me

I'm a full-stack web developer with a passion for design. A background in education has refined me into a creative, problem-solving leader who understands the value of a growth mindset. I am a conqueror, and I know that as a member of your team we will conquer the part of the world you're trying to help right now.

Education:

Coding Bootcamp

July 2018

University of Arizona
Gilbert, AZ

BA in Psychology

August 2009

University of Arizona
Tucson, AZ

Work Experience:

Dec. 2016 - Present, Technology Teacher
Mitchell Elementary School

Teach K-5 Students how to use iPads and Chromebooks as tools for their education.

April 2014 - June 2016, Librarian
Eisenhower Elementary School

Maintain and administer the library resources for students and staff to learn and enjoy.

Applications Built:

2018 FarmersMarkt *Front-end Developer*

- Central hub for vendors and market coordinators to be able to connect to customers and each other.
- Built using HTML, CSS, Bootstrap, and JavaScript
- <https://github.com/elspetha5/FarmersMarkt>
- <https://elspetha5.github.io/FarmersMarkt/>
